SUBJECT: Common Performance Measures

PROPOSED MOTION(S): Information only.

DISCUSSION: The Workforce Investment Act Common Performance Measures specifies 9 measures that Local Workforce Investment Areas must meet. Of those measures, there are 3 for Adult, 3 for Dislocated Workers and 3 for Youth.

Performance reports are generated periodically to update the status of local performance from the beginning of the program year through end of the last quarter for which data is available. Local performance measure data is attached, which represents performance from July 1, 2008 to June 30, 2009.

Final performance measures for program year (PY) 2007/2008, from the State, have not been issued to date, and the State has not determined a date for issue. The State has also not issued suggested local performance goals for the current PY 2008/2009. The State has filed for a waiver to lower performance standards in accordance with the present economic climate.
