SUBJECT: Strategic Choices

PROPOSED MOTION(S): Discussion Only

DISCUSSION: At the November 15, 2001 Workforce Investment Board, an update was given on Strategic Choices and the 15 policy recommendations that were matched to six general areas. There was discussion how the WIB should address these recommendations. The Chair noted the Executive Committee would review Strategic Choices at their next Committee meeting and then provide direction to the subcommittees.

Of the six general areas, staff recommends three of these areas for review and discussion by the Executive Committee on January 7, 2002.
