SUBJECT: One-Stop Partner Resource Sharing

PROPOSED MOTION: None

DISCUSSION:

On January 5, 2001, Lori Strumpf, Consultant to the WIB, met with WIB Staff and the Merced One-Stop Managers to discuss One-Stop issues, i.e. services provided, partner participation, etc. All required MOUs with the mandatory partners, with the exception of the Department of Rehabilitation, are in place, but there are no specific agreements that address resource sharing by the partners in support of the One-Stop operation. Ms. Strumpf suggested that the WIB begin negotiations with the partners to develop reasonable resource sharing agreements. As the WIB Consultant, Ms. Strumpf agree to facilitate the initial meeting.

This meeting is now set for Monday, February 5, 2001, from 7:30 a.m. to 9:00, at the Employment Resource Center, located at 1200 West 16ht Street. This will be attended by the WIB's Executive Committee, Standards and Certification Committee and the mandatory One-Stop Partners.
