SUBJECT: Change in Bylaws for Mandatory One-Stop Partner Term Limits

PROPOSED MOTION(S): For discussion only.

DISCUSSION: Workforce Investment Board (WIB) bylaws specify member term limits. Mandatory One-Stop partners are required to provide ongoing representation on the WIB. This policy, along with term limits, makes it difficult to maintain top level representation from Mandatory One-Stop partners for an extended period of time. A discussion is recommended to determine an effective solution to this situation.
