SUBJECT: Implications for Action Update

PROPOSED MOTION(S): Information only.

DISCUSSION: The Workforce Investment Board's (WIB) Implications for Action, which were delineated in the State of the Workforce document, continue to advance. Most recently, the Economic Development implication was enhanced through a "Brown Bag" video presentation of Thomas L. Friedman's "The World is Flat". Representatives from the WIB, economic development, education, the Board of Supervisors and workforce development attended.

The Merced County Workforce Housing Taskforce continues to meet. They are presently researching the laws, regulations and practices concerning inclusionary housing. Their intent is to create a template to be used by Merced County cities to create inclusionary housing policies.

The Education implication is also active. Of note is an upcoming Central Valley Regional P-16 Conference to be held at UC Merced. The conference is scheduled for March 30, 2006, from 8:00 a.m.–3:30 p.m., at 5320 North Lake Road in Merced. The conference theme is "Linking Education to the Economic Future of the Central Valley". Presenters include Jack O'Connell, State Superintendent of Public Education; Herbert R. Fisher, Superintendent San Bernardino County Office of Education; and Mike Gallo, Chief Executive Officer, Kelly Space & Technology, San Bernardino.

February 26, 2006

Ms. Andrea T. Baker, Acting Director
Merced County Department of Workforce Investment
1880 West Wardrobe Avenue
Merced, CA 95340

Dear Ms. Baker:

I was one of the attendees at the Guerilla Marketing seminar Saturday at Merced College. I was familiar with Levinson's work, and knew that to get to attend such an event for \$25 was a real gift. And it was!

I am writing to thank the Workforce Investment Board for contributing to the day and for bringing such a talented and knowledgeable individual to our community. I benefitted greatly from what he taught us.

It is fun to see these glimpses of the future as Merced stretches her limbs. I think that it contributes positively to the fabric of our community when people such as Levinson are invited to share what they know with us all. Thanks for making that possible.

With appreciation,

Bruce W. Logue
