**SUBJECT: Aligning Workforce Development**

**PROPOSED MOTION(S):** Discuss the concept of Workforce Investment Board (WIB) “Alignment” to more clearly understand what alignment of workforce development is.

**DISCUSSION:** During the March 2006 meeting of the WIB, it was announced the WIB would be aligning itself with education, economic development and workforce housing.

During this Executive Committee meeting, staff will guide the committee through a focused conversation to more fully understand the concept of aligning workforce development.
