SUBJECT: P-16 Council Update

PROPOSED MOTION(S): Information Only

DISCUSSION: The P-16 Council was created as a result of the Merced County Economic Development Strategic Plan, which was accepted by the Workforce Investment Board on March 27, 2003. The P-16 Council is addressing the educational issues in Merced County with participation from the business community.

Provide an opportunity for the committee members that serve on the P-16 Council to discuss what has taken place to date and provide information regarding goals and next steps that are being planned.
