SUBJECT: WIA Allocation Reduction Impacts for 2003/04

PROPOSED MOTION(S):

DISCUSSION: The Merced County Department of Workforce Investment has received notice of its 2003/04 funding allocation from the State. There were reductions of 28.13% in Youth, 25.44% in Adult and 31.72% in Dislocated Worker. We and other central valley counties were hit much harder than expected due to the funding formula.

Further information will be provided at your meeting for discussion and possible action.
