Dear Mr. Harmon,

On behalf of the MCOE Career and Alternative Education program, I would like to thank you and your committee for your generous donation of \$1,000 to support our annual ROP Health Industry Day event. Your contribution contributed greatly to the success of our program.

The Health Industry Day event was held at the Merced Fairground on March 1, 2007. Students were bused from eleven area high schools. A total of 179 students enjoyed a highly educational health related event, including demonstrations, key note speakers, health vendors and tours of local health facilities.

For your enjoyment, I have included a DVD highlighting the day's activities. I hope that you can share this video with other board members.

Again, thank you so much for your support. Your contribution is greatly appreciated.

Sincerely,

Mae Pierini
CAE Coordinator
