SUBJECT: Expanded Registered Nurse [RN] Program

PROPOSED MOTION(S): Information

DISCUSSION: The WIB, at their March 24, 2002 meeting, voted to support and fund the RN expansion program with Merced College as follows:

Starting Aug 2002, 24 new students will be enrolled each semester; six of the 24 will be WIA eligible and funded by the WIB. By Jan 2004, 96 students will be enrolled in the RN program; 24 will be supported by the WIB for a maximum of two years.

Cost for the two year contract for 24 WIA participants was projected to be \$297,417, plus supportive services. Total cost of the contract was \$594,834 with the other \$297,417 furnished by different agencies.

Since the March 24th WIB meeting, Merced College has revised the budget regarding the WIB's involvement. The total budget remains over \$594,000, however the WIB's cost will now be \$137,348 vs. \$297,417.

Dr. John Spevak, Vice President of Instruction, Merced College will be at the Board meeting on May 23 to provide additional details.
