SUBJECT: Building Trades Assets - Sheds

PROPOSED MOTION: That the Board instruct the WIA Title I Provider to have Merced County General Services offer the five sheds for sale by bid again but without any minimum or reserve price.

DISCUSSION: These sheds were built as part of the Building Trades Program. They were offered for sale by Merced County General Services Department but no bids were received, presumably because the reserve price of \$1,475 was excessive.

The Finance Committee has discussed this matter and, although they took no formal action, their sense was that any program income was preferable to none and that the sheds should be offered for sale with no minimum bid.
