SUBJECT: Self-Assessment Survey for Workforce Investment Board

PROPOSED MOTION(S): For information only.

DISCUSSION: After attending this year's National Association of Workforce Boards' conference in Washington DC, Mr. Robert Harmon, WIB Chair, has directed that a self-assessment of the Workforce Investment Board be completed and analyzed.

The self-assessment survey will be converted to a "Zomerang" format. The same survey was completed in 2001 and 2003 and those results will be compared with this year's data.

It is expected that the survey will be completed after the July WIB meeting.

ATTACHMENT(S): Survey booklet will be available at the meeting.
