SUBJECT: Worknet Recertification

PROPOSED MOTION(S): Accept the Worknet Recertification Application and direct the WIB Examiner Team to score the Application.

DISCUSSION: During the October 29, 2004 Quality Assurance Committee meeting, a recertification baseline score of 330 and length of term of 3 years were approved. On June 14, 2005, the WIB Examiner Team received 8 hours of training on the examination process.

Today, June 24, 2005, the Worknet Leadership Team's Application for Recertification is presented to the Quality Assurance Committee. Monday, June 27, 2005, the Application will be electronically delivered to the WIB Examiner Team. The scoring process will culminate on or about September 27, 2005 with a site visit to the Worknet Employment Resource Center. The finished report will be presented to the combined Quality Assurance/Executive Committees on October 28 with Certification granted November 10, 2005 after WIB ratification.

ATTACHMENT(S): Copies of the Recertification Application will be available at the meeting.
