SUBJECT: Workforce Investment Board Self-Assessment Survey

PROPOSED MOTION(S): Information only

DISCUSSION: After attending this year's National Association of Workforce Boards' conference in Washington, DC, Mr. Robert Harmon, WIB Chair, has directed that a self-assessment of the Workforce Investment Board be completed and analyzed.

The self-assessment survey has been converted to a "Zoomerang" format. The same survey was completed in 2001 and 2003, and those results will be compared with this year's data.

You should receive the survey within this next week.
