**SUBJECT: Strategic Choices – WIB Goals/Objectives**

**PROPOSED MOTION(S):**

**DISCUSSION:**

Request the WIB hold a special meeting on August 23, 2001 to fully discuss the WIB involvement in addressing the policy recommendations for "Strategic Choices." The Workforce Investment Board, along with other WorkNet partners, funded the Study of Merced County. The Center for Public Policy of California State University Stanislaus completed the study "Strategic Choices" in June 2000. Since that time WorkNet has provided community forums to share the results of the study to the policy makers and residents of the County.

The WorkNet partners have identified the WIB as a body that could assist in addressing the policy recommendation of "Strategic Choices."

The partners are bringing a discussion of the principle problems identified in the study to the WIB for consideration. Some or all of these issues may be adopted by the WIB as goals for the year 2001/2002.
