SUBJECT: Fiscal Report

PROPOSED MOTION(S): None. Information Only

DISCUSSION: Attached are draft copies of the fiscal year-end reports – both detailed and summary - for Fiscal Year 2002/03. As the County has not yet closed out FY 2002/03, there may be slight modifications when the closeout is complete. The summary report format is what staff proposes for inclusion in WIB packets and is simplified. We will continue to give the Finance Committee a more detailed report at its monthly meetings.
