How did you hear about us?

Responses from first-time visitors

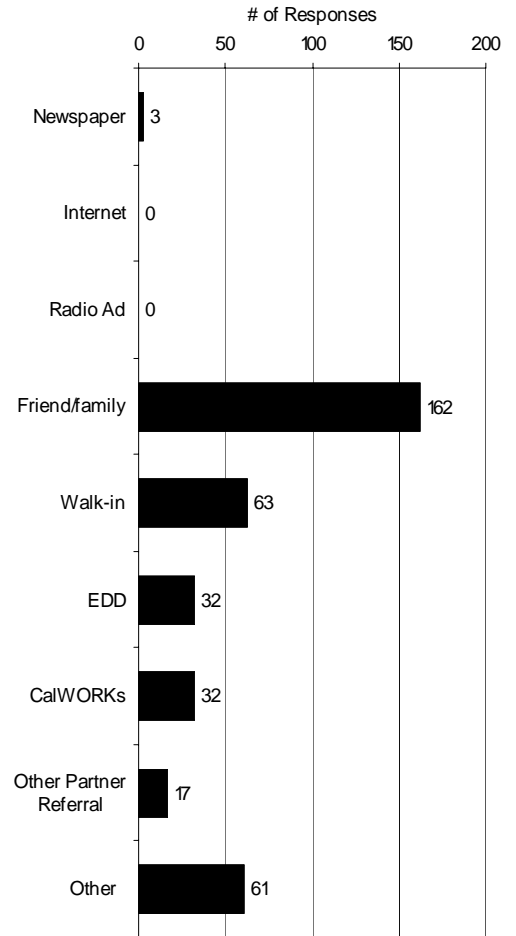

As of July 2007, we are now asking this question of our first-time visitors. Previously, we tracked the same information through responses clients provided on Customer Satisfaction surveys.

Our first time visitors tell us most often that they hear about us through friend or family, with 162 customers providing this response in July.

In the 'other' category, thirty-eight clients were sent for assessment to our Los Banos office by the City of Los Banos.
