SUBJECT: Eligible Training Providers (ETPL) List Addition

PROPOSED MOTION(S): Approve the Merced Adult School's Boston Reed College Medical Billing course for addition to the State ETPL.

DISCUSSION: The Workforce Investment Board approved an ETPL policy on June 20, 2000. The Workforce Investment Act requires that training providers who wish to access WIA funds must submit applications to be placed on the state training list. Providers must meet all local and state criteria; agree to provide approved training to WIA-enrolled participants; supply required client data for long-term follow-up and they must agree to abide by all WIA required regulations and/or laws.

The application from Merced Adult School for its Medical Billing course is complete and meets the requirements for inclusion in the ETPL. The program is registered by the Bureau for Private Post-Secondary and Vocational Education (BPPVE) and approved by the California Department of Education. Cost of the program is \$995.

The Program Planning & Development Committee approved adding this course to the ETPL during their September 22, 2004 meeting.
