**PROPOSED MOTION(S):** Information Only

**DISCUSSION:** The Department of Workforce Investment has negotiated a contract with the City of San Jose to provide Workforce Investment Act services for up to 50 individuals who live in or near Merced County, but who previously worked and were laid off in Santa Clara County. Funds to support the training of these individuals are provided by a Technology and Transportation National Emergency Grant (NEG) administered through the San Jose Silicon Valley Workforce Investment Area (City of San Jose).

The collaborative agreement requires the Merced County Department of Workforce Investment to enroll the displaced workers and provide case management services. The San Jose Silicon Valley Workforce Investment Area (City of San Jose), through the Technology and Transportation NEG, will pay for the participants' training. All participants to be served must be enrolled prior to September 30, 2004. The contract will run from August 1, 2004 through March 31, 2005, and will provide up to \$257,500 in revenue to the Department of Workforce Investment.

The Merced County Board of Supervisors approved this contract on September 21, 2004.
