

**TO: WIB Executive Committee**

**DATE: 10/7/02**

**FROM: Planning, Policy Development  
and Legislation Committee**

- For Action**
- For Information**
- Meeting Notes**

**SUBJECT: Individual Training Account (ITA) Exception**

**PROPOSED MOTION(S): That the Executive Committee approve the Basic Police Academy offered at Modesto Junior College be made an exception to the ITA policy.**

**DISCUSSION: Section 663.430(a)(2) of the Workforce Investment Act regulations states in part that contracts for services may be used instead of ITAs when the local Workforce Investment Board (WIB) determines that there is an insufficient number of eligible providers in the local area to accomplish the purpose of a system of ITAs.**

**The Department of Workforce Investment has been collaborating with the Merced City Police Department and the Merced County Sherriff's Department to develop a collaborative to train law enforcement officers.**

**The only places that offer this type of training are the academies at Modesto Junior College and Fresno City College. The Planning, Policy Development and Legislative Committee recommend to the WIB Executive Committee that the Basic Police Academy training offered by Modesto Junior College be an exception to the ITA requirement as outlined in Section 663.430(a)(2), and authorize the Department of Workforce Investment to contract with Modesto Junior College.**
