SUBJECT: Addition of a Fourth Strategic Goal

PROPOSED MOTION(S): That the WIB add a fourth strategic goal to the three already identified in the Local Five-Year Plan. Goal to read as follows: "Provide support to the Youth Council to implement the Council's role, vision, mission statement, and strategic goals for all the youth in Merced County."

DISCUSSION: At the Youth Council meeting on July 14th, discussion took place about the type of relationship that would evolve between the Youth Council and the WIB. A suggestion was made that as a starting point the Youth Council identify a strategic goal to emphasize the WIB's support for the Council's efforts and that a recommendation be made to the WIB to adopt this as a fourth strategic goal in addition to the three already identified in the WIA Five-Year Strategic Plan.

There was much discussion on the subject and the Council voted to request that the WIB adopt the following as a strategic goal of the WIB: "Provide support to the Youth Council to implement the Council's vision, mission, and goals for all the youth in Merced County."
