SUBJECT: Eligible Training Providers – Policy – Subsequent Eligibility

PROPOSED MOTION: N/A

DISCUSSION: There have been some significant changes between the State's draft Eligible Training Provider List policy document issued in May of 2000 and the final version which was released earlier this month. Further, the "subsequent eligibility" period for the first batch of Eligible Training Providers in Merced County is approaching (Q1 - 2002). As a result, the committee needs to recommend to the full Board a policy and procedures for determination of subsequent eligibility in this Local Workforce Investment Area.

Staff feels that the subject matter cannot be adequately covered in a standard committee briefing paper. Staff has prepared a detailed formal presentation on ETPL policy and subsequent eligibility. This presentation will be delivered at the meeting of November 30.
