Requirements.**

PROPOSED MOTION(S): None.

DISCUSSION: The Workforce Investment Act (WIA), Section 117, states the requirements for nominating and selecting members in each membership category. To be recertified, Section 117 requires that business members constitute a majority of the LWIB and the chairperson shall be a business representative. Merced County has met this requirement.

The second requirement is that the local area must meet performance measures. Merced County has achieved at least 80% of 9 of 11 locally negotiated performance measures, meeting the required performance measures.
