Ms. Andrea Baker noted the Department of Workforce Investment in conjunction with Madera and Stanislaus Workforce Departments and three regional community colleges received a Federal Assistance Grant in support of the San Joaquin Valley Regional Nurse Collaboration project. Ms. Hamilton will give a brief overview of what's going on in the State and in Washington with the new administration, then some of the activities will include review of where the WIB is and where the WIB wants to go, an agenda will be provided with the WIB package.

10. Director Comments: Ms. Baker noted the 2008 Merced County Employment Study is available. All WIB members will receive a copy at the WIB meeting. There is one report for all 8 Workforce Investment Areas.

The report data is also available at [www.CareersintheValley.com](http://www.CareersintheValley.com). A presentation to the WIB detailing careersinthevalley.com will be provided at a future meeting.

Ms. Baker also noted the Department is looking at different options to save money due to the State budget reduction and changes to the WtW contract with Human Services Agency. One option is to consolidate space. Ms. Baker will keep members updated regarding the changes.
