SUBJECT: New Out-of-School Youth Contract for 2010/2011

PROPOSED MOTION(S): That the Executive Committee approves the Department of Workforce Investment to negotiate a contract with the Merced County Office of Education for the PY 2010/2011 Empower Older Youth program, and forward to the Board of Supervisors for approval.

DISCUSSION: Through RFP # 6300, the Merced County Office of Education/Regional Occupational Program (MCOE/ROP) has been contracted with Merced County to provide workforce development services and activities to Workforce Investment Act eligible, out-of-school youth, ages 17-21. On November 13, 2008 the Workforce Investment Board approved the Youth Council's recommendation for the youth programs at 50% funding for the YOP Program and 50% funding for the Empower Program beginning with the 2009/2010 program year.

MCOE will continue to provide all required services. This new contract will run from July 1, 2010 through June 30, 2011 at an estimated cost not to exceed \$697,493. This estimate is based on 09/10 formula funding levels and may change depending on FY 10/11 available funding.

Note: On April 28, at approximately 4:30 PM, the department received the youth allotment from the State. It appears that the County's funding has been cut by about 9.57% from the current year's budget. The Department's Operations Officer is currently calculating how this will affect the availability of youth funds for next year.
