**DISCUSSION:** AB 1234 applies to elected or appointed officials. The two-hour training may consist of self-study materials, an online course, or in-person training. WIB members are encouraged to choose one of the following options:

Option 1: Online Ethics Training is provided by the California Fair Political Practices Commission. This online training is offered as a self-serve training program. It is your obligation to print a certificate and provide it to staff in a timely manner. Please allow ample time to ensure that you are able to complete the training. The free online training is found at <http://localethics.fppc.ca.gov/login.aspx> where you will be asked to create an account. Please allow for two hours.

Option 2: A cd with a PowerPoint Presentation covering Ethics Training is available for WIB members. Members are encouraged to click through the presentation and complete the information on the Certificate (PDF File on cd) and provide a copy to staff.

Option 3: The County of Merced will be offering Ethics Training in July 2012. The County offers this training every two years.

Any WIB member that has recently received AB1234 Ethics Training is encouraged to notify staff. This information will be shared with the County as they are currently keeping track of all individuals that require ethics training.
