SUBJECT: Off-site Meetings

PROPOSED MOTION(S): For discussion only.

DISCUSSION: In the past, the WIB's Executive Committee, as well as other standing committees, has met off-site (for example at; Mercy Dominican, Greystone Building, Chamber of Commerce, Sam Pipes Room, Los Baños Employment Resource Center - One Stop). The Executive Committee may be able to meet at any location provided a public posting (on-line) is made available of the updated location. Meeting at another location off-site (possibly coinciding with a tour of the facility), could provide exposure of the WIB to other entities and increase WIB member knowledge of local community organizations.
