SUBJECT: Solar Power Assets (SPA) Presentation

PROPOSED MOTION(S): None. Presentation/For Information Only.

DISCUSSION: SPA is headquartered in the San Francisco Bay Area. SPA is a self-funded solar power startup who has been engaged with various utilities, business partners, government agencies, legislators, educational experts and other entities to test and finalize business plans and processes. The organization specializes in solar power generation, and solar power transmission and distribution.

SPA will present an overview of its organization's concept so the WIB can consider further support through its committees.
