

TO: Workforce Investment Board

DATE: 11/12/09

FROM: Executive Committee

For Action

For Information

For Discussion

SUBJECT: Green Works Forum

PROPOSED MOTION(S): That the Workforce Investment Board (WIB) ratify the 11/2/09 Executive Committee decision to have the Workforce Investment Board act as a convener along with Merced College for a Green Works Forum.

DISCUSSION: There has been much discussion about “green jobs” and “occupations”. Merced College has asked the WIB to act as a convener in gathering appropriate organizations to discuss the implications of green job initiatives and how the community can respond to the relatively new occupational arena in a coordinated way to leverage resources. The activity would be considered a rapid response activity.
