PROPOSED MOTION(S): Information only.

DISCUSSION: The Workforce Investment Act specifies 9 common performance measures. The final performance for the Merced County Workforce Investment Area for Program Year 2008/2009 is attached.

The Local Workforce Investment Area of Merced surpassed 9 of the 9 performance measures. Three of those are youth measures that exceeded the negotiated performance level due to the efforts of the contracted youth provider, Merced County Office of Education. Thirteen out of the 48 Local Workforce Investment Areas exceeded all of their performance measures. The Merced Workforce Investment Board was one of those thirteen areas that exceeded all the measures.
