SUBJECT: Participant Report

PROPOSED OUTCOME(S): Information only.

DISCUSSION: Attached is a participant report for the time period July 2009 to October 2009, which reflects the number of participants enrolled and exited (and how they entered and exited the programs) within specific grant codes. Each year a modification to the Workforce Investment Board 5-Year Strategic Plan is submitted with projected participant numbers. Due to the President's American Recovery and Reinvestment Act (ARRA) of 2009 and State waivers filed, there has been no modification to the 5-Year Strategic Plan filed for this year to date. The attached report is a comparison of the actual participant numbers with 33.33% of the program year expended and tentative projections, which include additional participants for ARRA funding. The projections/format may change depending on the format the State chooses to use in its Strategic Plan modification template.

This report is a monthly "snapshot" of the Workforce Investment Act (WIA) programs. Non-WIA services and Supportive services reflect other trainings and services where WIA funds were used to help participants with supplies, materials, transportation, childcare, and other necessary expenses allowed by the WIA.
