SUBJECT: "All Youth – One System"

PROPOSED MOTION(S): Formally embrace the State Youth Council's recommendation of "All Youth – One System" as the preferred youth service delivery system for the Merced County Youth Council.

DISCUSSION: The State Youth Council and the California Youth Council Institute have recently encouraged local Youth Councils to adopt this delivery system concept.

The Merced County Youth Council has been in the forefront of "All Youth – One System". The Youth Council's Mission Statement, "Build a community-wide consensus that promotes and supports an integrated youth service delivery system that ensures any youth the support needed", and its Role, "Strategically link/connect all youth delivery systems in a way that promotes a County-wide vision of successful youth" strongly reflect the concept of "All Youth – One System".
