SUBJECT: Youth Council Functions Work Plan

PROPOSED MOTION: That the Youth Council approve the Youth Council Functions Work Plan

DISCUSSION: During training hosted by the Youth Council Institute, the Youth Council Executive Committee was afforded an opportunity to review Youth Council progress in meeting specific goals. This review was then analyzed in conjunction with the stated priorities developed at the November 2001 Youth Council Retreat.

Based on this effort, the Executive Committee formulated a workplan to continue the process. Utilizing the six priorities developed at the Retreat, a workplan was devised with tactics to meet goals, designate lead committees define specific outcomes for each priority and project completion dates.

The attached workplan outlines this effort and is being provided for your review and analysis.
