PROPOSED MOTION(S): For Information Only

DISCUSSION: On February 29, 2008, staff presented the Youth Council's Community Resource Directory to staff from the Human Services Agency - Employment & Training branch. It is suggested that Council members provide staff with information regarding local agencies/organizations that would benefit from viewing a presentation about the "online" Community Resource Directory. The presentation can be delivered in 10-15 minutes with printed directories made available to attendees.
