SUBJECT: First Ever, First Annual California Youth Leadership Conference

PROPOSED MOTION:

That the Youth Council sponsor the first Annual Statewide Youth Leadership Conference for *Youth* on the Youth Council.

DISCUSSION:

At their committee meeting on April 6th, Vice-chair Mayra Ramirez, asked the Outreach and Education Committee to support and make a recommendation to the council for a first annual leadership conference for *youth* on Youth Councils throughout the state. It was noted that not many youth were represented at the last Youth Conference in Palms Springs, and Mayra suggested to staff that a Youth Conference for youth would be beneficial statewide.

If the council agrees to sponsor the conference, a planning committee will be formed. It was suggested that the committee be made up of youth on the Merced Youth Council, the Outreach and Education Committee and other youth, who on neighboring Youth Councils.

OTHER CONSIDERATIONS:

The conference can be held at Double Tree in Modesto, with tentative dates set for Oct. 12 & 13, 2001
