SUBJECT: First Annual Conference for Youth on Youth Councils

PROPOSED MOTION: Information only

DISCUSSION:

Our proposed conference for youth on Youth Councils was to be originally scheduled in October, 2001. We are currently aiming for the April/May 2002 time frame. The Youth Council Executive Committee has taken on the task of planning the conference. While the original concept was to hold the conference in Modesto, it has been agreed that Merced County is where the conference should be held. We are exploring sites and having the County Counsel review conference requirements.
