PROPOSED MOTION:

That the Youth Council accept the application for Youth Council membership from Rebecca Lincoln, Grant Support Technician, Family Resource Council, and forward same to the WIB recommending approval.

DISCUSSION:

Youth Council staff has received an application for membership on the Youth Council from Rebecca Lincoln, a Grant Support Technician for the Family Resource Council. Mrs. Lincoln presently sits on the Board of the Boys and Girls Club, and the Family Resource Council Board. She was instrumental in the establishment of the Merced County Youth Council and served as the critical staff member for the Youth Council for the past year and a half.

Mrs. Lincoln has been a key individual in establishing Year-Round Youth Programs for both younger and older youth in Merced County. Her knowledge of the Workforce Investment Act will undoubtedly be of great value to the Youth Council.
