SUBJECT: Youth Council Meeting Time Change

PROPOSED MOTION:

The Youth Council Leadership and Marketing Committees recommend the monthly Youth Council meeting time be changed from morning to late afternoon.

DISCUSSION:

Presently, the Youth Council meets from 9:00 to 11:00 a.m., the second Tuesday of each month. It is felt that because of the early morning time frame two critical groups (students and educators) have trouble making the meetings. The Committees believe by changing the meeting time to 4:00 to 6:00 p.m., any Monday through Thursday, it would be much easier for these critical members to attend the meetings.

The meetings could still be held at the County Co-Op Extension.
