

YOUTH COUNCIL MEETING TIME PREFERENCE SURVEY

SUBJECT: Youth Council Meeting Times

DISCUSSION: The Youth Council's Leadership and Marketing Committees have proposed that the Youth Council meeting time be changed to 4-6p.m., any Monday through Thursday. Additionally, most members of the Youth Council feel that the time has come for the Council to meet every other month instead of monthly. The recent creation of a Youth Council Executive Board lends credibility to this concept.

This survey is being taken to help establish a time frame for future Youth Council meetings, which will maximize participation. Thank You.
