

TO: Youth Council

DATE: 6/8/01

FROM: Youth Council Staff

For Action

For Information

Meeting Notes

SUBJECT: Youth Conference

PROPOSED MOTION(S): Information only

DISCUSSION:

The Youth Council Youth Outreach and Education Subcommittee met Friday, June 1, 2001. Mayra Ramirez reported that she and others have been contacted by the California Workforce Association (CWA) indicating their willingness to partner with the Youth Council in sponsoring the proposed state-wide Youth Conference currently in the planning stages.

A meeting is being planned with the CWA to determine the depth of their partnership commitment during this month. Date, location and time is pending.

In the interim, the Outreach and Education Subcommittee has requested staff contact all Youth Councils within the state to determine if they would be interested in sending a youth representative and an adult mentor to the conference here in Merced County.

The subcommittee also agreed with the development of the partnership, and the date for the conference should be moved to Spring 2002 to allow for additional planning.
