 For Information
 Meeting Notes

SUBJECT: Youth to Youth Conference 2003

PROPOSED MOTION: That the Council agree not to sponsor a second Youth-to-Youth Conference and to turn over sponsorship of any such conference to the State Youth Council.

DISCUSSION: During the May 2002 Youth Council meeting, a decision concerning whether to sponsor a second Youth-to-Youth Conference was tabled. Since that time, staff has been contacted by the State Youth Council and informed that the State Youth Council will host next year's conference. They have requested technical assistance from Mr. Gary Derr.

It is recommended that the Merced County Youth Council agree not to compete and to support the State Youth Conference. It is expected that the California Workforce Association will be used to conduct the conference.
