**SUBJECT: Funds Request, City of Merced, League of California Cities
Annual Conference**

PROPOSED MOTION: That the Youth Council concur with the Operations Committee's recommendation to partially fund the request for funds from the City of Merced. Recommend that four (4) WIA enrolled youth be funded at a cost of \$1,176.

DISCUSSION: The Merced City Parks and Community Services Department has submitted a funds request to the Youth Council. The request is for \$2,144.81 to fund four (4) youth and two (2) adult chaperones to attend the League of California Cities Annual Conference, October 2-5, 2002, in Long Beach, CA.

The City of Merced proposes that they will provide two full-time qualified employees, one female and one male, to accompany the four youth. The conference is designed to let youth experience and appreciate the current issues city officials deal with daily.

The Operations Committee recommends that only youth be funded. Further, the youth must be WIA enrolled and chosen by the Youth Council. It is unknown if this will be acceptable to the City of Merced.
