**SUBJECT: Reassignment/Consolidation of Committees**

**PROPOSED MOTION: That the Youth Council realign the existing 5 subcommittees to a smaller number.**

**DISCUSSION: At the July 13, 2001 meeting, the Youth Council granted authority to the Youth Council Executive Committee to realign the Council's existing 5 subcommittees to 3 subcommittees. This action was taken because of an existing trend of committees failing to achieve quorum and not being able to conduct business. During the Executive Committee's August 1st meeting to realign the committees, no quorum was reached. It was directed by the Youth Council Chair to bring the problem before the entire Youth Council for resolution.**
