SUBJECT: Confirmation of Membership

PROPOSED MOTION(S): The Youth Council recommend to the Workforce Investment Board (WIB) that the Youth Council membership application from Ms. Kristen Miller, a youth, be accepted and forwarded to the Board of Supervisors for approval.

DISCUSSION: On April 9, 2003, the Youth Council voted to accept an application for membership on the Youth Council from Ms. Kristen Miller, and to forward the application to the WIB after a two-month probation period. That time has successfully passed. This action was to have been taken during the June 2003 Youth Council meeting, but the meeting was canceled. It is appropriate that Ms. Miller's application be forwarded for approval.
