SUBJECT: Review of Vision, Role, and Mission Statement

PROPOSED MOTION: That the Youth Council revisit the vision, role and mission statement of the council and reaffirm their content.

DISCUSSION: The Youth Council formalized its vision, role and mission statement in July 2000. Since that time, the Council has begun two major youth service programs, has adopted a subcommittee structure, grown considerably in size, and received new guidance from the present WIB Chair. The vision, role and mission statement are the core guidance for the Youth Council. Periodic affirmation is prudent.

VISION: "Every Youth A Success"

ROLE: Strategically link/connect all youth delivery systems in a way that promotes a County-wide vision of successful youth.

MISSION STATEMENT: Build a community-wide consensus that promotes and supports an integrated youth service delivery system that ensures any youth the support needed.
