PROPOSED MOTION(S): That at least \$3,000 of youth funds be reserved for future payment for a Youth Web Site

DISCUSSION: The Web Page Ad Hoc Committee has been working on the development of a web page for Merced County youth and others who are concerned for youth. The web page is nearing the first evaluation phase. In cooperation with MCOE, youth will begin evaluating the web page in December 2002. A final evaluation is expected by the start of February. The web site is expected to be up by Spring.

The expected cost of the site is approximately \$3,000. The Marketing and Outreach Committee has included the Web Site as an integral part of the Youth Council's Marketing Program. The Committee endorses reserving the money for this site.
