SUBJECT: Goals #3 and Goal #4

PROPOSED MOTION(s): N/A

DISCUSSION:

At the Youth Council training session held on Saturday, August 12th the Council refined the four strategic goals.

An action plan was developed for goal #1 on the Saturday training, but due to the length of time to develop the action plan it was decided to develop action plans for the strategic goals #2 -# 4 at the next three Youth Council meetings.

At the meeting on Oct.13th, after much discussion, the Youth Council recommended that the definition for Goal #3 be modified to read:

“Develop and implement an outreach program to at risk youth to increase their knowledge of programs available to youth”

At the meeting on November 9th the Council set up time-lines to meet the objectives of the goal. An “ad-hoc” committee was created, made up of both Council members and youth , to assess and compare the Youth development Models, then report back to the council.

It is anticipated that on the December 8th meeting the council will draft out actions plans for goals #3 and # 4.
