SUBJECT: "Teen Scene" 2006

PROPOSED MOTION(S): Information / possible discussion.

DISCUSSION: During the November 9, 2005 Youth Council meeting, Ms. Patricia Evans from HSA was introduced. Ms. Evans stated that this next year, 2006, HSA would once again take over responsibility of the "Teen Scene". There was a lengthy discussion following her announcement, resulting in an invitation to Ms. Evans to come back to the Youth Council's December meeting to present more completely this year's Teen Scene program.

The presentation will possibly be used to springboard discussion among Youth Council members concerning the Youth Council's possible role in the 2006 Teen Scene.
