**SUBJECT: Funding for the Delhi Unified School District Cisco Academy**

**PROPOSED MOTION(S): That the Youth Council recommend to the WIB that \$20,000 of youth funds be provided to assist the Delhi Unified School District in funding the Proposed Delhi Cisco Academy.**

**DISCUSSION:**

The Delhi Unified District intends to establish a local Cisco Academy with Merced College. The local academy would provide four semesters of training to 25 juniors and 25 seniors with students matriculating to Merced College for four or more semesters of training in a 2 plus 2 program. The total start-up cost for this project is \$75,000. The Delhi Unified School District is requesting \$20,000 for assistance to start up the program, funding hardware and infrastructure needed to begin the Cisco Academy in August 2001.

**OTHER CONSIDERATIONS:**

Although the Youth Council voted to provide \$20,000 for the Delhi Unified School District Cisco Academy at their meeting on Dec 5, 2000, the Youth Council staff is requesting that the Council make this a recommendation to the Workforce Investment Board separate from the Dos Palos-Oro Linda request.
